

## 2007 FUSION WHITE

### AN EXCEPTIONAL WHITE WINE BLENDED FROM LODI'S FINEST VARIETALS

Fusion is a carefully created modern blend that has its roots in the ancient past. Steve Borra's grandfather used the traditional method of planting to create a field-blend combination of grapes in a single vineyard that work together to blend his wine. After harvesting the vineyard, the blend was already made, with each varietal contributing a special element of flavor and character to the wine.

Steve Borra is a time-honored, traditional Italian winegrape-grower, using modern-day advances to nurture his vines. Each vineyard block is harvested only when perfectly ripe, with lots vinified separately, leveraging the latest in high-end winemaking techniques.

### Tasting Notes

The classic Rhône varietals of 83% Viognier, 16% Roussanne, and 1% Marsanne fuse together to produce bright, tantalizing aromas of amazing cantaloupe, peach and apricot with almond and a twist of pineapple which leap from the glass. Thick layers of peach pineapple and toasted almonds envelope the mouth, echoing for what seems like minutes before the final tones of oak and anise spice. Serve chilled, then notice how these flavors emerge and change as this Fusion slowly warms in your glass.
